NEXT STEPS: PAIR AND ACTIVATE YOUR PRODUCT

TST COLOR DISPLAY PACK
Includes Suction Cup and Dash Mounts for Display, USB Power Cord, 12v Adapter and Installation Manual

- 1 Locate the TST Color Display Package in your RV, ask your Salesperson for assistance.
- 2 **Pairing Sensors to your TST Display:**
 - Internal, banded sensors are mounted on the wheel at the factory, located 180° from the valve stem.
 - In some applications, your sensors may be externally installed on the valve stem.
 - See instructions on page 2 of this brochure or in the Installation Manual included in the Display Pack for pairing sensors to display.
- 3 **Activate your Product Warranty:**
 - Go to www.TSTtruck.com/warranty and follow the instructions.
 - Your TST TPMS System is fully warranted for 3 years **from date of activation**, so make sure you register!
 - And remember, **Lifetime Customer Support** is simply a phone call or email away!!
